

I FELT, I HEARD, I SAW, I KNEW

**I felt the Great I Am
In the drought and swirling dust
I felt Him in the flooding rain
I felt Him in the ocean's caress
I felt Him in the falling snow**

**I heard the voice of the Great I Am
In the screech and whisper of the wind
I heard Him in the bird song
In the earthquake's roar
And eruption of volcano**

**I saw the Great I Am
In the face of Jesus Christ
In Him the Great I Am resides
Christ is His face, His body and His voice
Christ is the Great I Am**

**I know the Great I Am
He is my Saviour
He stooped to dwell in me
When at the cross I bowed
To claim Him as my sovereign.**
