

Pearls of wisdom  
Pearls of delight  
Deep Seas we swam in the  
middle of the night.  
Down below in plenty abound  
These Treasures we found.  
They are not easy to find,  
But then neither is love of a  
lasting kind.  
So when the seas of life are rough  
And you think you've had enough  
Keep diving deep in God's Seas of Love  
And He will pour blessings  
aplenty from above.
